PROFESSIONAL EXPERIENCE

Technical Associate

Techchefz Pvt. Ltd., Noida (U.P), India

Dec 2021 – Apr 2025

- Developed responsive, pixel-perfect UIs using React.js and Next.js across travel, learning, and automotive domains.
- Used SCSS, Tailwind, and Material UI for modern, maintainable styling.
- Ensured cross-browser compatibility and responsive design for desktop and mobile devices.

- Collaborated with backend teams to integrate APIs and ensure seamless frontend-backend communication.

PROJECTS

Blush & Henna - Full-Stack MERN Web App

React.js | Node.js | Express.js | MongoDB | CSS

Developed a full-stack makeup & mehndi site with user login, registration, and an admin panel. Admin can manage users, contact queries, and perform full CRUD on services. Implemented authentication (JWT), CRUD operations, and admin panel features showcasing complete MERN stack functionality.

Club Mahindra - React.js, CSS, Figma

Built responsive interfaces from Figma designs; ensured UI consistency and accessibility.

Royal Enfield Dashboards - Next.js, SCSS

Created dashboards for internal teams with dynamic data rendering and responsive layouts.

Techchefz Website Redesign - Next.js, SCSS

Led complete frontend overhaul of the corporate site with high performance and design accuracy.

Ujjivan POC Website - Next.js, SCSS

Independently developed a clone of the live site without design files in just 2 days; focused on layout accuracy and responsive UI.

Kalpavatu Interiors - Interior Design Company Website

Next.js | SCSS | Responsive Design

Currently developing a high-performance corporate website for an interior design firm. Built responsive and visually engaging UI from design references, implemented reusable components, optimized page performance, and ensured cross-device compatibility.
